

Wagait Shire Emergency Management Recovery Committee

Minutes

Meeting Date

19 October 2016 at 6.30pm

Venue

Wagait Shire Community Centre

Attendance

Chris Tyzack, Ian Hinchliffe, Peter Clee, Lorna Manning, Nic Barclay, Kym Dye

Apologies

Fred Gillis, Barry Demasson, Deb Allen

Previous Minutes

Minutes of meeting 10 August agreed.

Business Arising/Action arising from previous minutes

- Finalise resource list - Chris
- Peter to prepare grant application for CB radio funding- this has been prepared and submitted
- Community Notice board - Peter

General Business

Community Resource list was discussed and some updates made. Chris will follow up with Bush fires and get new information from them. The document will be amended and presented at next meeting.

Peter advised the group that council was considering a sandwich type notice board.

He also advised that Ventia has donated a 35 m CB tower which has been dismantled and currently at back of council block. Peter is looking at what options there are to fund its reconstruction. It will provide a very valuable communications resource once available.

There was some general discussion about cyclone preparedness. In particular the hard waste collection. Council will probably conduct the next one as road side collection because of the problem of residents dumping inappropriate waste into the skip bins. There will be another collection in December.

There was some discussion of the need to revisit the groups and individuals that may need some extra support in the event of a cyclone occurring.

New Business

Business arising from this meeting

- Finalise resource list – Chris to circulate
- People who may need assistance – discuss at next meeting

Next meeting

The next meeting - Wednesday 7 December 2016 at 6.30.
