### Previous Minutes

Minutes of meeting 30 January 2012 agreed.

### Business Arising/Action arising from previous minutes

*Council and NTES to consider funding application; No further action*

*Geoff did advise of action that council has taken to ensure better preparedness for an event. They have sorted switch at Sports ground to allow a generator to be attached.*

*The have sourced a wind sock to be erected at sports ground. And the generator for old council building has been resolved.*

### General Business

- Update contact list-circulated

### New Business

- Recovery coordinator absent in April, Geoff and Peter to take lead roles
- Meeting agreed to invite Karen Duncan to remain on committee given her community experience
- Meeting agreed a briefing paper would be written by coordinator for incoming council for their information
- An email from LGANT was discussed and it was agreed of the dot points suggested for inclusion in recovery plans we had addressed most or it couldn't be addressed in our plan
- A copy of the NT Recovery plan was tabled and the relationship between Recovery and response discussed with aid of a chart within the plan
- Further follow up to preventative and mitigation it was agreed the council would write to Telstra and Optus regarding the long term efficacy of the towers when the power goes out for extended period

### Next meeting

It was agreed the next meeting would be June. Chris to circulate a date

Meeting closed at 7.30
