WSEMC Meeting #10 MINUTES

1. Welcome (RG)
2. Apologies: [Chris Chaplin](#)
3. Minutes of last meeting: [Amendments from KD noted; Accepted NW, CT.](#)
4. Committee Business:
 - 4.1. Pre-cyclone season preparations
 - 4.1.1. Council kerbside pre-cyclone pick-up 11-14 October + NTES advice to property owners
 - 4.1.2. Review any changes to current Council Cyclone Shelter Arrangements
 - 4.1.3. Community campaign for storm surge zone & SMS opt-in commencing in Sept/Oct
 - 4.2. IPCC Report – discussion on local impacts & considerations
 - 4.3. Report from workshop with National Recovery and Resilience Agency (CT):

[Attached notes tabled by CT. RG advised that council has been invited to a zoom meeting to discuss results of survey, which will be attended by committee representatives.](#)

- 4.4. NT Risk Reduction Program (NTRRP) 2021-22 funding application unsuccessful (RG):

[RG reported that council's application for funds to review the 2010 Climate Change Adaptation Plan and develop a new implementation plan, had not been successful. The NTRRP has suggested that the NTES may be able to assist with creating an LEP specific to the area. RG will follow up and invite NTES to a WSEMC meeting to commence discussions.](#)
