	RESPONSIBLE OFFICER:	CHIEF EXECUTIVE OFFICER

INTRODUCTION

Pursuant to Sections 22, 24 and 44 of the *Local Government Act 2019*, the elected members, the CEO and other members of a council's staff must maintain proper standards of integrity, diligence and concern for the public interest.

Wagait Shire Council recognises that having a strong approach to procurement and adopting appropriate best practice contracting and procurement principles, policies, processes, and procedures for all goods, works and services by Council, significantly enhances achievement of Council objectives.

1. PURPOSE OF POLICY

The purpose of this Policy is to:

- provide guidance to Council to allow consistency and control in all procurement activities;
- demonstrate accountability to rate payers;
- provide guidance on ethical behaviour in public sector purchasing;
- demonstrate the application of elements of best practice in purchasing; and
- increase the probability of obtaining the best outcome when purchasing goods and services.

2. SCOPE

This Procurement Policy is made under the Local Government Act (2019) and the Local Government (General) Regulations (2021). The Regulations requires Council to prepare, approve and comply with a procurement policy encompassing the principles, processes and procedures applied to all purchases of goods, works and services by Council. This policy applies to all contracting and procurement activities at Council and is binding upon all Council workplace participants.

3. DEFINITIONS

Term	Definition

Commercial in Confidence	Information that, if released, may prejudice the business dealings of the party (e.g. discounts, rebates, profits, methodologies and process

A consultancy is professional practice that provides advice within a particular professional service field. A professional service is usually

	provided by a tertiary trained person who may be required to hold a professional licence or be registered with a professional body such as an auditor, medical practitioner, architect and lawyer.
Shared Services	Shared services is the provision of services through collaboration between more than one local authority.

Thresholds	The value above which a procurement, unless exempt, is subject to the mandatory procurement process.
Quotation Process	The process of inviting parties to submit a quotation followed by evaluation of submissions and selection of a successful respondent.

Tenderers are, however, advised that a report on a tender process may be presented at an open meeting of Council, and some information arising from the tender will be publicly available for three years from the date of the awarded tender.
